I leave you with one last thought. If you have ever experienced the gut-wrenching feeling associated with leaving your child in a stranger's care, you know that honesty and integrity are important qualities to look for. Take the same care when researching a boarding facility for your horse, and you will be much happier with the outcome.

What does your horse really want?

Close your eyes and feel your arms and legs turning into the four strong legs of a horse. Now feel your neck grow long and a beautiful mane and tail unfold. Take some time here to become a horse. Without thought, start running as fast as you can in this horse body and ask the question: "If I was a horse, how would I want to live?" Only you can answer this question.

RENOWNED HORSE NATURALIST ELAINE POLNY HAS BEEN TEACHING, TRAINING AND RESEARCHING THE MANY FACETS OF THE NATURAL HORSEMANSHIP WORLD FOR OVER 25 YEARS. AT THE NATURAL BOARDING FACILITY SHE OWNS IN ONTARIO, CANADA, NATURAL HORSEMANSHIP DEALS WITH THE FUNDAMENTALS OF HORSE CARE AND ALSO ENCOMPASSES THE PSYCHOLOGICAL, SPIRITUAL AND ENVIRONMENTAL AS WELL AS THE SYMBIOTIC RELATIONSHIPS THAT DIRECTLY CONNECT TO THE EQUINE WAY OF LIFE.
